

Mission

iMake Academy of Training Pty Ltd (iMake) pride ourselves on assisting our students to achieve the best. **“Second Best is not an Option!”**

With over 10 years combined Experience in the Vet Sector, RTO Management and Operations, it is iMake’s desire to have all students enjoy, complete their training and to reach greatness...

We are not a RTO. We partner with Various RTO’s to deliver our Courses!

Philosophy

As Owners of iMake Academy and proud Grandparents to identical twin girls, we were awe inspired, that they demonstrated difference in preference.

Immediately discerning, the common denominator is within the reactive thinking and their ability to be compelled to create, as they emphatically state **I Make...**

Whether it be Play-dough, Drawing or Colouring it envelops them into a whole new world of possibilities. Their imagination drives them...

They want to experience and learn as much as they can... no matter what it takes! They crave knowledge to learn new skills...

As adults, how can we Awaken the child within us?

Taking the simple Philosophy demonstrated by our grandchildren, we apply that to our training. We endeavour to have each one of our students learn about their life and surroundings and in turn, keep using them well into their future!

Therefore... Not accepting Second Best... but pushing forward ... iMake Academy of Training coupled with our values accept nothing but the Best.

Through Focus, Achievement, Confidence and Team work, each of our students, will, like our grandchildren be able to **‘iMake...’ their future!**

NDIS Training

iMake Academy of Training is proud to be a NDIS provider and deliver of training within the NDIS framework.

What does this mean for you?

It means that with the help of NDIS, you are able to receive funded training from iMake Academy of Training.

What do you have to do?

You will need to ensure that you are registered with NDIS as a participant. You can give iMake Academy of Training your Name; DOB; Address and we will organise for an application form to be sent out to you.

In this brochure, we have outlined what items you should include in your plan to ensure that you can have your training funded.

“Second Best is not an Option!”

Great care is taken, so that the student gains the very best opportunity to obtain employment and work in open employment if that be available to you the student.

Potential employers are waiting for you to complete this training.

We would encourage you, your carer, parent, guardian or school teacher to discuss the possibility and benefits of the NDIS funded training on offer.

As a brief summary, please see some of the subjects to be covered during this training:

- Individual life skills development and training including public transport training and support, developing skills for community, social and recreational participation.

Including:

- Communication in the workplace
- Basic computer and software skills
- Keyboard skills
- Interview Skills
- Resume' and application letter writing
- Real life workplace visits etc.
- Physical education (Dance & Swimming) (newly introduced)

It is about the student!

We are serious... it is about YOU the student!

How can we help you... 'iMake your future'?

NDIS Plan Information

As a NDIS provider, we can only recommend the training to be delivered and the suggested codes to be placed onto your plan.
