FOCUS

Focus is on our students to achieve greatness, works hand in hand with Achievement and Confidence... without Focus none of our Students, will ever hope to achieve... their "iMake"...

ACHIEVEMENT

Achievement is all about our students... what can they achieve through our programs? What abilities and talents are being drawn out, for our students to Achieve their own "iMake"...

CONFIDENCE

Confidence can only be displayed when it is tempered with the correct knowledge and instructions. With our highly trained and experienced trainers, iMake Academy of Training want all our students to increase their own levels of confidence within themselves... their own "iMake"...

TEAM

There is NO "I" in Team! Sounds like a throwaway line... but without Team work and effort by all to assist those that may not be able to, on their own, achieve their own "iMake"... Achievement... Confidence... Focus... cannot possibly exist without Team Work! It is imperative!
